Grayling's New Treatment Plant

NEW TREATMENT PLANT — Pictured above is part of the newly remodeled and greatly enlarged City of Grayling primary sewage treatment plant. The photo shows the rear view of one building, another is constructed below the level of this building. The new system filters bacteria free water from the lower drain with the sludge trucked to a sanitary land fill. Frank May, superintendent of the plant is shown in the photo. The City of Grayling is planning an "open house" at the new plant for sometime in June in order that citizens may see the enlarged plant in operation.

Now in operation is the completely remodeled City of Grayling sewage treatment plant. Although the older installations were used to some extent, the new plant is double in capacity and modern in every respect. The plant with almost entirely new equipment has been rated as adequate for the next thirty-five years at the present rate of growth of the City of Grayling by the design engineers.

Also with the plant, improvement and enlargement, it was necessary to improve the lift station located at Ingham and Maple

streets. This pumping station is now all modern and has the capacity to serve the city for a good number of years.

In making these changes it was necessary to relocate the old Airport sewer which is located along Plum street. This line had to be changed to carry sewage down Ingham street to the newly designed lift station. At the same time, a new force main had to be laid from the lift station to the modernized treatment plant. These other changes were necessary for a complete modern operation of sewage disposal in the city.

Prior to these changes, the older plant was badly overworked and was not doing an adequate job. This was pointed out to city officials by the State Health Department, the Conservation Department and the State Water Resources Commission. It was absolutely necessary that the city embark on this project. Although the older plant was never actually condemned, it would have been in the next step by one of these state agencies.

The cost of the entire project to the City of Grayling was \$113,351.00 plus engineering costs of \$21,088.23. Thus the total cost of the entire project was \$134,439.23. The budget yearly for the maintenance of the plant and sewer system in the city is \$14,000.00.

To offset the cost of this necessary city project, the City Council was forced to raise water rates to repay the city's general fund for the cost of construction and for added maintenance. The new rates established are: minimum rate, \$2.50 per month for the first 2,000 gallons of water used; thereafter the rate is 16¢ per thousand gallons used.

Due to the difficulty encountered by city crews in reading some water meters of consumers, it was decided that the customer would be asked to read his own meter. By doing this the city could bill monthly, thereby making it easier and more convenient for people to pay their water and sewer bills. Using city crews to do the reading would have meant bills would be mailed four times per year. This would have made each bill cover a three months period and thus be three times as large.

Plan Essay Contest On Guard Camp

The Grayling High School students (9-12) are writing themes on the topic "Fiftieth Anniversary of the Michigan National Guard Camp at Grayling" in connection with other Michigan Week activities. All entries are to be turned in to the high school English teachers. After screening, the teachers are to turn all deserving entries to the school paper advisor, Arthur Thayer, who is to have them in the hands of the Michigan Week committee on the Friday, May 17th. A winner will be chosen as prescribed by this committee.

The winner's name will be inscribed on a permanent trophy and he or she will also receive an individual award, those to be furnished by the Grayling Kiwanis Club. The Michigan National Guard Camp is a very important landmark in the history of the state. It is understood that this essay contest is to be an annual affair. The essay this year can be on any topic concerning the 50th anniversary of Camp Grayling.

Alumni News

Our very first Banquet ticket was sold to Norma Pray Hamilton of the Panama Canal Zone, a member of the Class of 1933 who will be here for the 30th reunion. Libby Matson writes that she is on Sabbatical leave from the University of the Pacific and will be here for the banquet in hopes of seeing some of her old classmates of the Class of 1903. Isn't that something? 60th year. Memberships are coming in from all over.

Mr. and Mrs. Frank Bond will be our guests this year in recognition of his faithful 30 years at G. H. S. All of us are very proud of Frank. This year the student who will receive the Roy O. Miles award will also be our guest. This award is given for the Best All-Around Good Citizen of the Senior Class. This will be our third award given in memory of Roy, an alumnus of the Class of 1916. We are receiving some donations to the Student Loan Fund and President Don Gohr reports that the Committee for same is complete except for one member. This will be reported in full at the banquet on Saturday, May 11.

Grinnell Music Store of Bay City is sending us a Hammond organ and a professional organist for our entertainment at the banquet. This should be something we will all enjoy. The party at the Victoria Room after the banquet will be in the very capable hands of Frank May and Larry LaGrow. Price \$1.50 per member.

Attention to all local alumni—this is your invitation this Saturday, May 25, at 7 p. m. Reservations and money are to be sent to Secretary Mrs. Robert Sorenson. Banquet tickets \$2.00, membership \$1.50. Tickets are also available from Don Gohr, Larry LaGrow and Betty Milliken.

Mrs. William LaGrow is having a before-dinner party at their home for members of the Class of 1933 to start off their 30th anniversary celebration with 100% attendance expected.

Please cut out and return the reservation coupon on page 10.

Kiwanis Club Notes

By Wes LaGrow
No program was held at Monday evening's meeting of the Kiwanis Club of Grayling. Following the meal, a directors' meeting was held and then club members dispersed to the school to move booths and equipment stored there for the Grayling Trade Show which the club is co-sponsoring with the Grayling Women's Club.

Frederic School Names Period Honor Students

Frederic Community School's honor roll for the past six weeks is as follows: Twelfth Grade, Joyce Reed and Janet Blaauw, Eleventh Grade, Ruth Papenfus, Tenth Grade, Chuck Berens, Jim Blaauw, Billie Newell, Ninth Grade, Fred Blaauw, Tom Koernke, Eighth Grade, Patsy Henion, Sandy Haefka, Sue Kratochvil, and Seventh Grade, Linda Murphy.

KIMBALL - HAAS VOWS EXCHANGED

The marriage of Miss Judith Marie Kimball, daughter of Mrs. Eva Kreger of Frederic, and Lester B. Kimball of Mr. Larry Curt Haas, son of Mrs. Nellie Haas of Grayling and Edward C. Haas, was solemnized Saturday, May 4, 1963, at 4 o'clock at St. John Evangelical Lutheran church, with the Rev. Harris Jespersen performing the double-ring ceremony. Music was by Mrs. Jespersen, who presided at the organ.

Dean Welch of Frederic escorted the bride down the aisle to the altar and gave her away. Attending the couple were Wayne Ingalls of Manacelon and Mrs. Betty Mertes of Frederic.

A reception was held at 8 o'clock at the Frederic Town Hall, which was beautifully decorated with artificial flowers. A five-tiered cake centered the bride's table. The happy couple are making their home at the Sanders apartment south of Frederic.

May Festival Draws Crowd

Another successful May Festival has been presented by the elementary grades and teachers of the public school. The Friday evening program was a pleasant change and a colorful spectacle. The Grayling High Gym was jammed for the annual affair.

The primary grades, Kindergarten through Third, presented "A Garden of Singing Flowers." Each grade presented a colorful picture as they sang about their particular flowers. This involved much costume making and cooperation from room mothers and many other mothers. This was greatly appreciated by the teachers.

First on this program was "Springtime," a song by all the primary children. Next came Dutch boys presenting "In Wood on Shoes" by the Third Grade. The Second grade girls sang "The Buttercups" and the boys "The Tulips." The First grade boys sang "Playing Soldiers." Next was a presentation by the Kindergarten children playing in the garden, "Mulberry Bush" and "Did You Ever See Lassie?" Another First Grade song was "The Wild Violets and Pansies," then "The Dance of the Roses" by the Third Grade girls, and "Sunflower Cake Walk" by the boys. The Second Grade boys sang "The Dancing Game" and a full chorus of First, Second and Third graders sang "Lullaby Song" and "Fairies."

The upper elementary grades, Fourth through Sixth, presented scenes from "Our American Heritage." This included western style singing by the Fourth Grade, "Covered Wagon Days," and dancing by the Fifth Grades, and an Indian pageant by the Sixth grade.

Special thanks go to Mr. LeRoy Christian and the band for numbers before and after the program. Also to Mrs. June Feldhauser for the piano accompaniment for the primary department.

Program Chairmen for this year were Miss Virginia Kraus and Mrs. Vila Stillwagon. The success of the program was in their hands. Their planning helped to make it worthwhile for the teachers involved and this is the most difficult part of the festival. The teachers wish to thank them for their fine cooperation.

LOCAL PASTOR TO ATTEND CONVENTION

The annual convention of the Michigan Synod of the Lutheran Church in America will be held at Bethlehem Lutheran Church, Grand Rapids, May 12-15. Representing St. John Lutheran Church of Grayling will be the pastor, Harris A. Jespersen and the lay delegate, Mrs. Harris Jespersen.

Dr. Franklin Clark Fry, president of the LCA and chairman of the Central Committee of the World Council of Churches, will be the official representative of the Church at the convention. He will speak to the delegates from 125 congregations on Monday evening and Tuesday afternoon sessions conducted by the synodical president, Dr. Frank P. Madsen of Detroit.

On Tuesday evening, Mr. Martin J. Wager, Jr. and Mr. Robert Carlsson will be ordained. Both men are seniors at the Lutheran School of Theology at Rock Island, Illinois. The school, with a campus also in Maywood, Illinois, will request support for its relocation near the University of Chicago. Dr. Carl E. Brunsten, theology professor at the school, will present special lectures each day.

The continued development of Michi-lu-ca, the new synodical Conference Center and Camp located near Pairview east of Grayling will be decided when the delegates vote on a proposed capital fund campaign for \$280,000. This would be for additions to the present winterized and summer facilities for 120 campers.

The Synod, with more than 36,000 confirmed members in the lower peninsula, will hear a report on the need for expanded nursing facilities for the care of the aging as provided by Lutheran Social Services in Bay City and Detroit.

Faces Justice Court Trial On Charge

James H. Remer, 39, of Grayling faces a Justice Court trial soon on a charge of being drunk and disorderly. He was arrested Sunday, May 5 by Grayling City Police assisted by the Crawford County Sheriff's department.

Remer appeared before Justice of the Peace Olin Williamson on Monday, May 6 and stood mute. A not guilty plea was entered for him and Justice Williamson set bond at \$1,000. Remer was remanded to the custody of Sheriff Arthur Clough until the bond was posted or the case comes to trial.

NEEDED — 13 HOMES

Thirteen homes are needed in the area for rental for staff of instructors who will be moved here to instruct at Camp LaVictoire for a group of boys being moved in to the camp from Boys Vocational School. The houses are to be rented. If you have a home for rent which you would like to rent to one of these instructors and his family, you are requested to phone 348-5551, today.

Continue Work On Lake Margrethe Park

A tract of state land comprised of 25.56 acres, more or less, which lies south of Portage Creek and along the south shore of the West Bay of Lake Margrethe, has been set aside for a public camp ground. This land, which is a part of the Military Reservation, is a joint project of the Military and Conservation Department.

The campsite, which features about a half-mile of sandy beachfront, will have tables, stoves, a well and pit toilets, and will be for all types of camping for a period not to exceed 20 days. It will be maintained by the Forestry Division of the Conservation Department. The only development of the property so far is the removal of trees for a roadway into the site, which was done last fall. Tree stumps have yet to be removed, and a bridge constructed over Portage Creek. The project will be completed for the summer of 1964 as far as is presently known.

More Books For Tots At Library

Adding to the lengthy list of pre-school children's books available at the Crawford County Library, suggested titles are "The Five Chinese Brothers," by Bishop, a fairy tale, "Goodnight Moon," by Brown, poetry, "Kathy and the Big Snow," by Burton. Kathy was a big, strong crawler tractor. In the summer time she wore a bulldozer and pushed dirt, and in the winter time she wore a snowplow and kept the roads clear. "Mike Milligan and His Steam Shovel," by Burton is the story of Mike Milligan who remains faithful to his steam shovel, Mary Ann, against the threat of the new gas and diesel engine, "Inch by Inch," by Leonni is the story of a measuring worm and a nightgown.

New books recommended by the Library include "Sun Up," by Tresselt, "Over the Meadow," by Auglund, "Sparkle and Spin," by Rand, "Rabbit's Wedding," by Candill, and "Pile of Junk," by Schlein.

Building permits in April have been issued to JOST Oil Co. for remodeling their building on Fig St., to Tony Gross for a garage and utility building at Ogema St. home; to Ross Thompson for a garage at his Lake St. home; to Violet Bradburn for siding on her home on Fulton St.; and to Automotive Parts and Supply for remodeling its building.

Mrs. Jim LaGrow began her duties at the Dental Clinic office this week.

Notice, Change In Trustee Filing

The Avalanche last week stated in a story concerning the coming school board elections to be held June 10, that anyone wishing to run for the post of trustee on the board need only twenty-five signatures on their petition. We are grateful to Mr. Carl Stearns, Superintendent of Schools at Frederic, for being the first to call to our attention that the information was in error. Grayling recently became what is known as a registration district and as such the rules that previously applied no longer do so. It is now necessary to have a petition signed by 50 qualified voters. The Frederic school district has been a registration district for some time.

Being a registration district merely means one must be a registered voter in order to vote. In the case of voting for trustees it is not necessary to be a taxpayer. However, it is necessary to be one to run for a post as trustee.

Petitions must be turned in to the board secretary not later than 4 p. m. thirty days prior to the election, in this case May 11. The petitions must be signed by the circulator in the presence of a notary public.

Junior Prom This Saturday

The committees for the Junior Prom have been working very hard to have everything in readiness this weekend for the annual dance, given each year by members of the Junior Class in honor of the Seniors.

The Prom will be held Saturday, May 11th, from 9 a. m. to 1 p. m. in the High School gym, with music by the Vikings of Rogers City.

Tickets may be had from any member of the Junior Class. Invitations are extended to parents, friends and the general public.

Woman's Club

The Grayling Woman's Club met Monday evening at the clubhouse. Mr. Dale Corcoran of Spartan Food Stores, Grand Rapids, and Miss Julia Saegren of Gaylord of the Cooperative Extension Service, gave the program on meats. The films, "With an All-Star Cast" and "It's Lamb Time" were shown. Stanley Morse ran the projector.

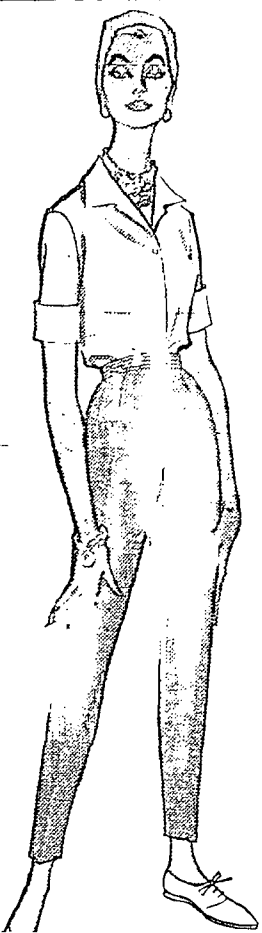

Miss Saegren explained charts of meat selection and Mr. Corcoran told about the grading of meat. The Spartan stores gave choice pieces of meat as door prizes, which were won by Mrs. Walter Truettner, Mrs. Alex Bailey, and Miss Saegren. Don Bartholomew, representing Glen's Market, drew prizes.

Guests at Monday's meeting were Mrs. Art Bloomer, Mrs. Dan and utility building at Ogema St. home; to Ross Thompson for a garage at his Lake St. home; to Violet Bradburn for siding on her home on Fulton St.; and to Automotive Parts and Supply for remodeling its building.

CHECK PROGRESS — Owners Walter Johnson, left, and James Hunter, right, watch the building activity at the site of state new restaurant, the Arrowhead Inn which is being constructed on the 4-50 business loop just south of the Grayling City limits. The new eating establishment will be open for the summer tourist season.

Collin Jurkovich At Great Lakes Center

GREAT LAKES HOPEFUL — Collin T. Jurkovich, 19, son of Mr. and Mrs. Thomas Jurkovich of Grayling, Mich., is undergoing nine weeks recruit training at the Naval Training Center, Great Lakes, Ill.

He reported to Great Lakes April 8. The basic training program included naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty.

Military drill is emphasized and recruits practice frequently during the training period. Varied and numerous inspections are another part of the training, as well as an intensive physical fitness program.

While undergoing basic training, recruits receive tests and interviews which determine their future assignments and training in the Navy. Upon graduation, they attend service schools for technical training or are assigned to ships or shore stations for on-the-job training.

Plan Federal Business Census In The County

(Special to the Avalanche)

NEW YORK — The Government announces that it is preparing forms, which will be sent to business firms in Crawford County later this year, in connection with the forthcoming 1963 Economic Census.

This is a periodic inventory, conducted by the Department of Commerce. It covers retail trade, wholesale trade, the service industries, manufactures, minerals and transportation. The last such survey was made in 1958.

As in the past, local business men will be asked about their payrolls, number of people employed, hours worked, sales volume and, what is new this time, a breakdown of sales by broad merchandise lines.

What will the census show as to Crawford County? What economic changes have taken place locally since the last such survey was taken?

The answers are important to the merchants and manufacturers themselves, as well as to others who need such information to measure product demand and to set plans for future inventory requirements.

Crawford County's figures will show, according to unofficial estimates, that considerable progress has been made since the 1959 census, which reported local retail trade for that year at \$6,412,000. Before that, in the 1954 census, it was \$5,514,000.

According to latest figures, which indicate the rate of growth, since then, the 1963 total is expected to be in the neighborhood of \$8,307,000. This would be a five-year increase of 29.5 percent.

The local service industries have been moving ahead rapidly. From a volume of \$429,000 in 1954 they rose to \$834,000 in 1958. This year, allowing for the "same" rate of growth, they will reach an estimated \$804,000.

The Government states that, while it is mandatory to fill out the questionnaires, the replies will be held confidential and will not be made available for any investigation purposes.

Also, firms may keep duplicates of their reports without fear of having them impounded in any kind of court action.

The information in the returns will be fed into complex data-processing machines which will turn out the results in a shorter time than was required previously.

School Notes

The Spanish II Class enjoyed a Mexican dinner in the gym at 6 o'clock Monday.

"That Big Fish Never Shrinks"

Herbert Hoover has written one of the most delightful books of the year, just published by Random House. It describes its substance — "Fishing For Fun And Tension Your Soul."

Mr. Hoover has always been an enthusiastic fisherman and an expert one. Most of the other Presidents of the modern age have fished also—but not nearly so expertly or enthusiastically. And he takes the philosophical view of this ancient and diverse art. For instance: "Lots of people committed crimes during the year who would not have done so if they had been fishing. The increase of crime is among those deprived of the regeneration that impregnate the mind and character of fishermen." And again: "... fishing reduces the ego in President and former Presidents, for at fishing most men are not equal to boys." And still again: "There are two things I can say for sure: two months after you return from a fishing expedition you will begin again to think of the snowcap on the distant mountain peak, the glint of sunshine on the water, the excitement of the dark sea, and the glories of the forest. And then you buy more tackle and more clothes for next year. There is no cure for these infections."

"And that big fish never shrinks." It's a grand, nostalgic little book that reminds one of the urge to cast a fly come spring. Happy fishing to all the addicts!

A Tax Is Not Insurance . . .

"Insurance" is an attractive word. Almost everyone has some—life, accident, fire, theft, hospitalization, liability. It is protection against adversity. But the word can be used in a misleading way. And of the current effort to apply the "insurance"

tag to the bill—which got nowhere in the last Congress, but is up again in this one—to finance various measures of health care to everyone drawing social security benefits.

The bill is called, on page one, a "Hospital Insurance Act". But if anyone will fight his way through to page 62 (which, one can be sure, extremely few will do) he will find that the payments are described as taxes rather than premiums. And page 62 is the truthful one. Social security payments are taxes—and not premiums. Social security offers no contract, as an insurance policy does. The taxes collected for medical care, for example, would be used on present beneficiaries.

The courts have held that these taxes are exactly that—taxes. And so has the Internal Revenue Service, which has placed liens on "delinquent taxpayer accounts" within the Social Security System.

Let government medicine, socialized medicine, be debated to the limit. But let's not accept misrepresentation—which is exactly what calling a tax an insurance plan is.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

May 9, 1940

Several new places are being constructed in Grayling at this time. Amos Hunter has the excavation completed for a new dairy building and Holger (Dad) Hanson broke ground Tuesday for a new store building. Al Zauel's new tavern at the junction of M-76 and M-93 is nearly ready for occupancy. The Mrs. Herb Gotro barber shop is having a new front, extending to the street, and prospects seem quite definite for a new building on the Burton Hotel lot next to the Michigan Central railroad to house modern bowling alleys. In front of this residence on Cedar street Leo Schram is just completing the construction of a small, one-story, metal-covered building to be used as a restaurant.

Since last Thursday we have had a little warmer weather, but the thermometer has still been around 25 degrees each morning. Sunday was a nice day and there was much traffic on the highways, families who were out for rides, taking advantage of the warm weather. Late in the afternoon the sky clouded up and at about 8:30 a real electric storm came up. It rained hard for several hours. Monday morning the sun came out and all plant life looked so fresh and green. This morning the temperature was 28 degrees and slowly rising.

A daughter was born to Mr. and Mrs. Barton Wakeley Sunday, May 5. A daughter was born to Mr. and Mrs. Elmer Barber of Frederic on Monday, May 6, at the home of Mrs. Charles Wilbur. Mr. and Mrs. Spencer Melstrup of Detroit were calling on Grayling friends Friday evening. They spent the night with Mrs. H. A. Bauman and daughter Margaret. Clayton Cline, after spending the winter in California and Arizona, is back in the Carl Sorenson barber shop for the summer. His home is in Paris, Ind.

The Women of the Moose held their monthly social party for their families and friends at the Moose Temple Monday evening with large crowd in attendance. Games were enjoyed by those present with honors being carried off by Mrs. Alfred Hanson, Mrs. Hatie Moshier, Mrs. Albert Charron, Middle LaMotte and E. S. Chalkier. A potluck lunch was served by the committee.

Mrs. Wayne Nellist and son Vern of Holly spent last week visiting her parents, Mr. and Mrs. Delbert Wheeler. Mr. Nellist came Sunday to accompany them home. Mr. and Mrs. Ray Waite and Mrs. Oscar Horning attended the funeral of Mr. Waite's brother in Mason Saturday.

Little Hunter is enjoying a week's vacation from his duties at the Grayling Dairy and is visiting relatives in Flint.

The photograph of Mr. and Mrs. John Bobb which appeared in the Sunday issue of the Bay City Times told of a family party given on Saturday to celebrate their golden wedding anniversary. The Bobbs have six children, Mrs. Ray Davis, Mrs. Harry Seeley, Mrs. Charles Haren, Alfred and Reuben, all of Bay City, and the late Lewis Bobb. The Bobbs lived in Grayling during the years that the DuPont plant operated here and many Grayling people are happy that they had had a long happy married life together.

Ransom Murphy of Detroit is spending a few days visiting relatives in Grayling. William Wythe and family have moved to the Ausable Trout and Fishing club on the North branch where they will be caretakers.

Mrs. Dale Penny and son Robert of Toledo arrived Monday to spend some time with her parents, Mr. and Mrs. T. SanCarlter. Mr. and Mrs. Francis Fox were honor guests at a miscellaneous shower at their home in Maple Forest Saturday evening. The shower was given by their friends and an enjoyable evening was spent together. Late in the evening a potluck lunch was served. Mr. and Mrs. Fox received many useful gifts.

While the members of Grayling Golf club were enjoying a dinner at the clubhouse Wednesday evening, 13 deer were seen on No. 7 highway. They seemed to be having a grand time and occasional spurt of speed over the grass provided them with fine frolic. It was a pretty sight to see but not so entertaining to Perry Akers, the groundskeeper, for he knew that it meant damage if they got onto the greens.

Jean Peterson of MSC, East Lansing, and Beatrice Peterson of CSTC, M. Peterson, spent the weekend visiting their parents. Mrs. Robert Papentus has moved back from Roscommon to her old home in Lovell. "There's no place like home," she says.

Wayne R. Stark of Mio was in Grayling today and says he will be a candidate for the office of representative in the state legislature. The members of the Just Us Club and their husbands and escorts met at the home of Mr. and Mrs. Robert Sorenson Monday evening to help Mrs. Sorenson celebrate her birthday anniversary which fell on that day. The time was spent playing pinocle until lunch was served.

The trapping or catching of coyotes proved a rather remunerative business for a couple of Crawford County men during the past week. R. D. Jourden, living near Grayling, brot to the district conservation office here a mother coyote and nine pups, in all 7 females and 3 males, which net-

ted him \$185 in bounties, while George Bindschatel of Frederic brought in 3 females and 6 males for which he received \$150 bounty. Grayling High was defeated in a close ball game with Gaylord by the score of 2 to 1. It was a pitchers' battle all the way with Allen Anthony holding Gaylord to four hits and with Darling holding the locals to six hits, all of which were after the sixth inning.

The Kalkaska National Trout festival held April 26 and 27 was as usual, a fine attraction. Grayling school band took part in their fine parade early in the afternoon. Grayling Winter Sports carnival float, sponsored by Mayor George Burke, won first prize among the floats.

Mrs. Sigwald Hanson and daughter of Shepard are visiting relatives here for a few days. Mrs. Edward LaMotte and little son have been visiting her parents at Sarnae, Mich., for a couple of weeks.

Miss Leona Billings of Flint, daughter of Mr. and Mrs. John Billings of this city, has joined the Red Cross at Flint and became a member of the division of nurses.

Miss Bessie Brown of the Modet bakery is taking a week's vacation.

Christian Peterson and family of Chicago have rented Forest View farm in Beaver Creek of Nemesis Nelson and are moving here.

Mrs. A. Frieberg and daughter Alome, who spend their winters in Chicago, arrived the latter part of the week and have opened their home here.

Hubbard Head of South Branch township of this county has sold his farm of 640 acres.

The many friends of Miss Bertha Woodburn of Detroit will be interested to learn that she has joined the Red Cross nurses, and will leave some time next week for France, a member of the 7th unit.

Nemesius Nelson of Chicago is in the city looking after his property interests and calling on old friends. Mr. Nelson is engaged in the real estate business in the windy city.

A. Trudeau and William North have opened a garage in the building recently moved from the rear of Shoppemongus Inn to a street distance further north. They are doing business under the firm name of Trudeau and North.

Reveal Appointment Of Regional Deputy Director

C. Troy Yoder, supervisor of the Conservation Department's fish hatchery operations since 1950, this week took over his new duties at Roscommon as regional deputy director for the northern lower peninsula.

His appointment, made by Department Director Gerald E. Edley last week, fills a vacancy created by the January 12 retirement of Harry L. Aldrich.

Dorcas J. Cury, regional deputy director for the upper peninsula, did double duty in the two northern regions since Aldrich left.

A graduate of Michigan State University with a B. S. Degree in wildlife conservation, Yoder has been with the Department since 1941 when he did civil census work in Cass county.

From 1917 to 1948, he served as a fisheries biologist at the Department's Institute for Fisheries Research. The following year, he was appointed district fish supervisor at Plainfield. Yoder held this position until 1951 when he was promoted to fish supervisor at Roscommon for the 34 northernmost counties in the lower peninsula.

In 1959, he was named to head the Department's entire hatchery program out of the fish division's Lansing office.

Michigan, a total exodus of 20,000, will sail for Russia. It will require nearly all summer for them to return. Many go to fight for the new democracy, and others are exiled under the government of the Czar.

Nine new regiments of army engineers, to be composed of highly trained railway men, will be the first American troops to be sent to France.

Miss Minnie Nelson of the Kerry & Hanson Flooring Co. office purchased a new Maxwell car last week. Mr. Welsh drove the car up from Detroit.

Louis Kessler of Cheboygan, a brother-in-law of Thomas Cassidy, is assisting in the pool room recently purchased by Ed Strell. He expects to move his family here soon.

Lloyd Graham is assisting on the delivery wagon at the Simpson Company grocery.

THANKS FOLKS! . . .

For your continued confidence in us over the past 17 years.

As of May 1, 1963, we sold our business to Mr. and Mrs. Clyde Peterson of Grayling, Michigan, who will continue to operate under the same name — JACK'S BOAT & SPORT SHOP.

We hope you will stop in soon and let us introduce you to Clyde and Nad — who will continue to give you the same fine Evinrude motor sales and service — plus boats, marine services and storage.

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater traction, but more balanced weight distribution. And that's what makes the steering so completely effortless.

The engine is air cooled, too. No radiator. No water or antifreeze. No boiling over or freezing up to worry about. It takes the weather and the terrain as it comes.

Remember Mother Next Sunday!

A collection of dainty, floating-appliqued flower prints, underlaid with a tiny pearl, accent the fitted, sheer yoke of a pretty, feminine waist gown. More subtle still, flowers are centered on the bodice, the gown's soft gathers above and below the waist. The skirt is a simple, flowing line, a perfect match for the yoke.

BITS O' TALK

Mose LaSprance of Dearborn, onetime Grayling resident, was the guest of A. J. Joseph last week. He returned home last Friday after spending a week.

Mr. and Mrs. Bernard Dopp have returned from Fort Lauderdale, Fla., where they spent the winter months.

Floyd SanCartier was on vacation from his duties at the meat counter of the A & P Store last week, and took the occasion to make a three-day trip into Canada and to the Tahquamenon Falls in the U. P. with Mrs. SanCartier. They were in Cadillac on Thursday.

John Henkel has been transferred to Marquette for the present. Mrs. Henkel has spent the past two weeks visiting her aunt and uncle, the Earl Madsens, while Mr. Henkel was completing his transfer and bringing their trailer home up from DeWitt. They plan to install it on their property here for the summer. Mrs. Henkel accompanied her husband to Marquette after he came to join her at the Madsen home for the weekend.

Willard Cornell was in Howell and Saginaw on business Wednesday of last week.

The Lyric Diller family has moved into the house at 606 Elm formerly owned by the Richard Loves.

Mrs. Sam Gust and Mrs. Robert LaMotte were in Traverse City last Thursday.

Florence Butler has retired from her work at the Lester Building Company of Detroit and returned to Grayling Saturday. She is occupying the Dr. Cook apartment. Her brother William Butler of Farmington brought her here and returned the same day.

Mr. and Mrs. Kenneth Vaughn and sons of Lansing spent the weekend with her parents, the Bud Gould family. Kenny Lee Vaughn was two in April 27th and the occasion was belated celebrated with a family dinner on Sunday.

Carl Bidwell of Grand Rapids was a weekend guest at the Jay Stephan home, here to do some trout fishing.

Mr. and Mrs. Glen Lash of Maple Forest returned home Thursday after spending four weeks with their daughter and family. Mr. and Mrs. William Gest-wite. The Lashes have a new granddaughter, Carla Dee, born April 29th at the Bixby Hospital in Adrian, to the Gestwites. She weighed 6 lbs. 8 3/4 ozs.

Miss Nora LaGrow came home from Northeastern School of Commerce Friday to spend the weekend with her parents, the William LaGrows.

Mrs. Clement Blaine entertained the Just Us Club ladies with a dinner at the Blaine cottage at Louis Landing on the AuSable last Thursday evening.

Seaman and Mrs. James Barclay left Saturday to return to Jacksonville, Fla., after visiting their parents, Mr. and Mrs. Homer King and Mr. and Mrs. Harold Babbitt for twenty days. They came on April 12th.

Mr. and Mrs. Leon Johnston and daughters of Waterford, also Mr. and Mrs. Keith Johnston and son of Ann Arbor spent the opening weekend of trout season at the home of their parents, the Norman Johnstons in Beaver Creek, and also visited at the Chester Johnstons' home. The men folks did some fishing, and only regretted that the time was too short. They did catch some nice trout.

Lee Parent is the new kitchen manager at Mercy Hospital. He began his duties April 15th, coming here from Bay City, where he formerly managed a restaurant. He is working at the hospital under Crotty Brothers, a catering firm in Bay City. Mr. Parent plans to move his wife and child, Diane, who is 10, Debra, 8, Michael, 6, Matt and Mark, 5, Chris, 3, and Lee, 4 months, as soon as he finds living quarters for them.

The Richard Klein family of Okemos visited their parents, the Walter Mikesells and the Robert Kleins, over the weekend.

Mr. and Mrs. Robert Strong spent the weekend in Garden City visiting the Robert Luter family.

Mr. and Mrs. Carl Doroh spent the weekend in East Lansing visiting Mr. and Mrs. S. J. Barnhart, Susan and Jeffrey.

Archie Feldhauser is in Mercy Hospital with three broken ribs. Mr. A. J. Roberts returned home Saturday from his northern inspection trip. Mrs. Roberts accompanied her brother, Ed Barrie, Monday from Flint where she spent the time with her daughter and family, the Clifton Harveys. Mr. Barrie going on to East Jordan to visit their mother, Mrs. Elva Barrie.

The Q. C. Club met Saturday, the 4th, at the Clarence Roberts home. Winner of the evening's door prizes was Mrs. Earl Wood.

BAND BOOSTERS CLUB NOTES

The Grayling Band Boosters club met Thursday evening, May 3rd, at the High School band room starting at 8 p. m. The election of officers was postponed until the December meeting due to the small turnout of band parents. It was decided to have the Variety Show, which was to be sponsored by the Band Boosters in May, next October instead, as May is the concluding month of the school year and already crowded with activity, and it was felt a larger and better show could be put on in October.

At the last PTA meeting \$250 was appropriated to the band to purchase a bass clarinet, and the Band Boosters voted to give the remaining sum of \$52.40 so that the instrument could be purchased immediately.

The candy sale will be sponsored May 9, 10 and 11. Let's everyone make it a success.

The last band festival in which the Grayling Band will participate this year will be on May 9th at Mancelona. Parents are urged to attend the massed band concert at 7:30 p. m. at the Mancelona High School. It should be an enjoyable evening.

The Band Boosters were very proud of the Grayling band's performance in the Kalkaska Trout Festival, a performance very well done.

Home Extension News

The Happy Matrons group met with Mrs. Claribel Goss March 25th. No lesson was scheduled so we spoke of the subjects we would like to have in the coming season. The rest of the evening was spent playing pinocle. Mrs. Papendick won the hostess prize.

The April meeting held on the 22nd at Mrs. Carl Hanson's covered "Focus on Filings" given by Mrs. Gene Papendick. Paper patterns were brought and fitted to individual members and we all got a good deal out of the explanations. Booklets covering the principle alterations to be made to conform to one's own measurements were handed out.

The May meeting will be a dinner followed by the lesson "Rapid and Smart Food Buying". Plans for the dinner are not complete but the hostess for the rest of the evening will be Mrs. Leo Lovely. Time 8 p. m., May 27th. We also hope to see as many of our group as possible at Maple Forest Town Hall for the annual Achievement Day. Time 10 a. m. registration, election of officers 11 a. m., Pot luck noon. The afternoon will be a talk and showing of slides on Iris by Mr. E. L. Shantz. There will also be door prizes given on registration. Visitors are welcome to attend any or all of the day's events.

RECREATION LEAGUE HOLDS BANQUET

The women's Wednesday Night Recreation League held its season's last meeting and annual banquet on Wednesday, April 17th, at the American Legion Hall. One hundred women and sponsors were seated at tables nicely decorated with flowers and large placecards with the name of each team, also bowling balls and pin placecards. The decorating was done by the Pink Lady team made up of Muriel Latusek, Lora Gould, Ruby McEvers, Ann Latusek, Betty LaChapelle and Sal Truettner. After a very lovely turkey dinner put on by the Legion Auxiliary, League President Toni Nielson welcomed the bowlers and sponsors. She then introduced Secretary Margaret Balch who began the business of handing out the year's awards.

Team placecard prizes went to Drewry's 1st, Culligan's 2nd, Pink Lady 3rd, M. Hope 4th, Pioneer Room 5th, Olson's 6th, Olson's 7th, Marshall's Motel 8th, Blatz 9th, Grayling State Bank 10th, Stamply TV 11th, Grayling Cab Co. 12th, Grayling Merc. 13th, Fuelgas Co. 14th, Scott's Bar 15th and Dingman's Tavern 16th. Drewry's were winners of both the first and second half, so there was no playoff. They were also winners of the trophies awarded to the teams with the most points and received the arm chevrons reading "Champs of 1962-63."

High team single game awards went to the Pink Lady, Culligan and the Pioneer Room in that order. The high team series awards went to the Pink Lady, Pioneer Room and Stroh's, respectively. Individual high game prizes were given to Muriel Latusek, Betty Blatt, and Lois Wheeler, and individual high series went to Muriel Latusek, Lois Wheeler, and Betty Blatt, respectively. Virginia Vanhook won the Most Improved Bowler award. Muriel Latusek, Lois Wheeler and Betty Blatt were the three high average award winners in that order.

Perfect attendance pins for having bowled thirty nights and ninety games went to Lila Owens of the Grayling Merc. team, Marge Harwood, Scott's Bar, Onalee Smith of the Grayling Bank team, Muriel Latusek and Lora Gould of the Pink Lady, Kary Carrick of Grayling Cab Co. Those who also had perfect attendance records but had been awarded pins before were Boots Balch of Drewry's, Doris Case of Grayling Merc., Babe Lloyd of Dingman's Tavern, Connie Stamply of Stamply TV.

Secretary Balch then introduced Dorothy Stephan, who presented the team and individual trophies won in the City tournament.

An election of League officers concluded the evening's business. Those elected are, President, Onalee Smith, Vice-President Louise Hatfield, Secretary Margaret Balch, Treasurer Jean Rasmussen, Sergeant of Arms Gloria Jean Nielson.

If there are any teams planning not to bowl next year, please call Boots Balch, 348-2882 so another team can be put in their place before bowling starts in the fall.

M. M. Balch, Rec. Secy.

Local Men 6.4 Tons Overweight

(Special to the Avalanche)

NEW YORK — The gross tonnage of Crawford County's male population has gone up. It is considerably higher than it once was.

Back in 1929, when working hours were longer, when people would think nothing of going on foot to the corner grocery store and when a farmer walked behind his plow instead of riding on a tractor, it was easier to stay slim.

Now, in this push-button age, even the little effort that was once used in driving a car is being eliminated. Power brakes, power steering, electric windows and automatic shifting have cut that effort to the vanishing point.

As a result of little exercising and excessive eating, Crawford County's men are approximately five pounds heavier, on the average, than were men of similar height and age in 1929.

The local male population as a whole is about 12,850 pounds, or 6.4 tons, heavier than it would have been at that time.

The findings are based on national averages arrived at in studies conducted by the Society of Actuaries and by the Department of Agriculture.

They show that the changes that have taken place are different for different heights and ages.

At the 5 foot 8 inch level, the increase among 25-year-old men is listed as 4 pounds, at age 35, as 6 pounds, at age 45, as 5 pounds and, for those who are 55 years old, 3 pounds.

As to the women, in terms of 1929 standards they are not overweight. Actually, they are found to be slimmer than they were at that time. When fashions dictated the slender look for women, they proceeded to diet and to lose weight.

They now tip the scales at several pounds less than in 1929.

If men were to return to their 1929 size, the medical experts would still not be satisfied. For a longer and healthier life, they say, the average man should be 20 pounds lighter.

For Crawford County's male population, this would mean knocking off no less than 26 tons.

Impossible? Not really. It would require a great deal of will power, much less activity with the knife and fork and more exercise than at present.

Bits O' Talk

Carland's Restaurant on M-76 between Grayling and Roscommon has added an "exclusive" to their line. They now serve the original Coney Island hot dogs, which are distinguished from other kinds by a special sauce, which is the secret of their flavor. This sauce is shipped from New York where the delicacy originated. Mr. Carland sold these at his Pontiac restaurant before coming here. Other changes have been made at the restaurant. Mr. Carland having combined his gun display and food line.

Mike, Do you know that we have home made pie at Curly's Drive In? Anna.

Word has been received of the marriage of Miss Jean Perwood, daughter of the C. R. Holcomb, to Barry K. Pitts, son of Mr. and Mrs. Lyle Pitts of Mt. Pleasant, at Spartan, North Carolina. Mr. and Mrs. Pitts are at present making their home in Dallas, Texas. Jean has a position with a collection agency and Barry is a Britannia salesman.

Mrs. James Waldron and children of Burt Lake visited her parents, the Wesley LaGrows, from Sunday to Wednesday last week.

Mr. and Mrs. Harrison Goodhue of Birmingham left Wednesday of last week after spending several days at their home on the AuSable. They plan to spend ten days in California.

Dr. John Faching's office will be closed May 14th thru 16th.

The Dr. Ralph Steffe family of Flint spent the opening weekend of trout season at their summer quarters on the AuSable, enjoying the balmy weather and the fishing. Henry B. Smith III, Fred Smith and Dwight Olson, all of Bay City, spent the trout opener at the Smith cottage, Camp Gingerquill, on the AuSable, with a number of guests.

Mrs. Don Legg, Mrs. Hazen Hatfield and daughter Carol, and Mrs. Lloyd Berry Sr. were in Traverse City Wednesday of last week.

Parent-Teacher Conference Successful

The Parent Teacher Conference held April 24th and 25th, sponsored by the Parent Teacher Association, was deemed very successful. The percentage of parent participation in the grades was 84.4 and in the high school 80.7 for an average of 82.5%. These figures are somewhat lower however, than those for the conference held last November. At that time 95.4% of the grade parents took part in the program and 90.8% of the parents of children in grades seven through twelve for an average of 93.1%.

In the past many parents enjoyed the open houses held at the school. Because of this the committee in charge of these conferences is toying with the idea of perhaps having an open house and only one conference per year with the possibility of designating a two-week period when parents would be urged to meet with the teachers of their children between 3:15 and four in the afternoon. Parents are welcome at any time to do this but a special effort would be made at this time to contact parents and invite them to do so.

Carroll Wert, PTA president, expresses his appreciation to all who once again made the conference possible and successful.

See Birth Rate Rise

MORE BABIES?

Michigan's Birth Rate is bound to go up soon, according to State Health Commissioner Dr. Albert E. Heustis.

The 1962 birth rate was 182.475, the lowest since 1952, and the fifth consecutive year to show a drop from the previous 12-month period. The births last year were nearly 10,000 fewer than in 1961, Heustis said.

"Whether births continue to go down or remain on a plateau for next few years is anybody's guess. One thing is certain, however, they are bound to go up later," Heustis said.

The Health Commissioner's prediction comes from a look at past statistics.

The majority of parents of babies born during the last few years were born during the 1930's and early 1940's, when births averaged around 90,000.

Within the coming five years most of the "War Babies," born from 1945-49 when births averaged around 150,000 per year, will be getting married and having babies of their own.

YOU NEED IT

The newspaper you are reading now is an essential part of our free society although you might at first think of it as just a trill.

J. Montgomery Curtis, director of the American Press Institute at Columbia University, recently described the newspaper as "the most intimate, personal and effective form of communication."

Pointing to the New York newspaper strikes earlier this year, Curtis said, "the loss of a newspaper to a community leaves a vacuum that cannot be filled by any other means of communication."

Radio and television also contribute to the public's right to know. But both of these are immediate and not long lasting, said Curtis.

"When it comes to news in depth, television and radio just aren't in the same league with the newspaper," he said. "The (New York) strike proved this point. The loss of newspapers resulted in a decrease in department store sales, as well as in food store sales, auto sales, and general stock market activity," he said.

In addition to these advertising benefits, Curtis pointed out the loss of newspapers caused drops in attendance at many of the cultural and entertainment events; people had difficulty locating available housing; and employers and potential employees couldn't get together.

Curtis predicts that the newspaper will continue to provide the most complete coverage of any media.

FEW HARM MANY

Most businessmen are honest and the exceptions hurt the majority as much as they harm the consumer.

This is one of the primary observations of the Consumer Protection Division of the Attorney General's office, which has been hearing complaints about these exceptions for nearly two years.

In this short time, the Division has processed more than 600 complaints involving frauds or cheats. The Division accepts only cases where facts show a violation of

state law and a continuous pattern of operation sufficient to imperil the public interest.

The Division does not handle cases which can be handled exclusively by private counsel, but only those which involve a state question.

Deceptive or "bait" advertising, misrepresentations, referral sales and other deceptive buying, selling and lending practices are the primary areas brought to the attention of the Attorney General's

staff.

Hopes are that both the continued existence of the Division's probing into complaints, and likely legislation to tighten laws governing possible areas of fraud will discourage such practices and cut the minority in the business world which falls short of honest dealing.

BLUE RIBBON ROADS

Michigan's highway system, which has been pulling down one after the other of the "first" in

road progress in the nation, has received another honor.

The 330-mile Ohio-to-Mackinac freeway has been cited as one of the nation's most scenic new highways. This marks the second year in a row that portions of the freeway have received such a citation from the Better Highways Information Foundation.

Both sections cited for their scenic attractiveness are in the northern half of the route, between Clare and the Mackinac

Bridge. A 22-mile section of the freeway between Indian River and the bridge was chosen as one of the most scenic new routes in 1961, and last year the section from Clare to Gaylord was selected. This stretch is 85 miles long.

State highway officials fully expect the section between Gaylord and Indian River, considered the most scenic portion of the entire freeway, stands a good chance for honors from the Foundation this year.
